As part of this process, we are currently seeking individuals who may benefit from no-cost home health services to participate in our initial credentialing phase.

We're Looking For Individuals Who:
-Are Medicaid recipients (preferred)
-Are Home Bound
-Require assistance with at least one personal care task (e.g., bathing)
OR
-Require skilled nursing care, such as:
    -Wound care
    -Ostomy care
    -Injections
    -etc.
-Are not currently receiving services from another home health or home care provider

If you know someone who could benefit from compassionate, professional in-home care — at no cost to them — please have them reach out to us!
